Easy Mouse Over Exhibitor Biography  
From Alpha List of Exhibitors

The Organizer (Administrator) Maintains Total Control of Features & Options

EXPOCAD WEB Utilizes Any EXPOCAD Created Event

Implementation is Fast & Easy

Resides on Windows Web Server - Accessible from any Web Browser

"It has been said that tradeshow are the great equalizer and that small and large companies can compete equally on the exhibit floor. EXPOCAD WEB allows the same luxury giving smaller companies the same marketing sophistication and edges as their larger, richer competitors. "

Cynthia Davis, Director of Exhibits National Recreation and Parks Association [www.nrpa.org](http://www.nrpa.org)

During Space Sales EXPOCAD WEB Accepts Credit Cards with Our New Credit Card Processor Module
